DETAIL KIT**

**REMA VACUUM
TR1072EA**

KEX Tire Repair's air operated, wet/dry vacuum replaces standard shop vacuums at repair stations. Small, powerful and versatile, this vacuum quickly removes rubber dust particles. (Ideally suited for use on mobile service trucks.)

**POWERWASHER
DRUM MOUNT
PRESSURE WASHER**

1500-PSI electric pressure washer is powered by Baldor 2-HP motor with 2GPM Cat pump.

Built on a drum mount, this unit comes completely assembled with hose and wand separate.

INCLUDES: 24" Wand, high pressure hose. 15' amp.
